

2016 BLUESAVE

COVERAGE FOR
YOUNG ADULTS

BlueSaveSM is the lowest-cost option for access to the most health care providers for young adults. It provides coverage in case of an emergency, such as a sudden illness or injury.

BlueSave is a convenient health plan that fits your active lifestyle. It comes with the Aware[®] network, which includes 100 percent of hospitals and 98 percent of doctors in Minnesota. No matter where you go, you can rely on BlueSave to open doors to providers. Your coverage also provides you fitness discounts, preventive care, maternity care and more. It's a great option for Minnesotans under age 30.

You are eligible for BlueSave if you:

- Are under age 30, or
- Are age 30 or over and qualify for an eligible exemption

BlueSave gives you:

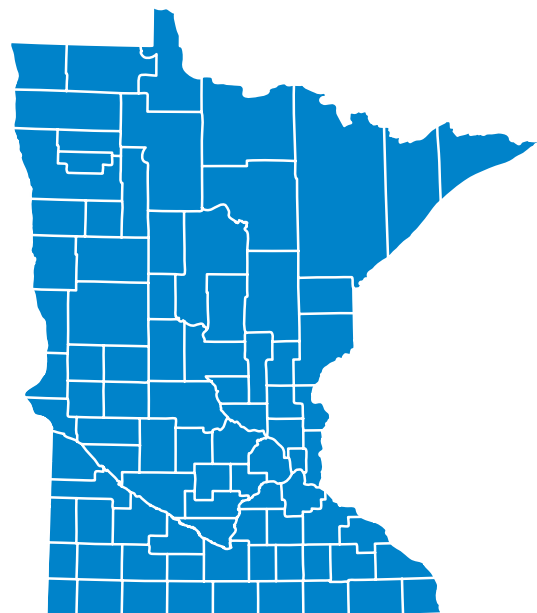

- Lower monthly rates in exchange for paying more when you use health care
- Three office or e-visits before having to pay a deductible
- Preventive care at no additional cost

COVERAGE ACROSS THE NATION AND BEYOND

BlueSave also gives you national coverage through the BlueCard[®] PPO network and international coverage with the BlueCard Worldwide[®] network.

Looking for dental coverage?

Good oral health affects more than just your smile. Research has linked certain oral health problems to heart disease, diabetes and other medical conditions. Stay healthy with Blue Cross Dental featuring the United Concordia Advantage Plus 2.0 Dental network. To learn more about plan options, talk to your agent or Blue Cross today.
