Excluded Services

Services not covered include, but are not limited to, custodial care, adult eyewear, most dental services, cosmetic services, refractive eye surgery, those received while on military duty, and services that are investigational or not medically necessary.

Notice concerning policyholder rights in an insolvency under the Minnesota Life and Health Insurance Guaranty Association Law.

If the insurer that issued your life, annuity, or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer. In addition, residents of Minnesota who purchase life insurance, annuities, or health insurance from insurance companies authorized to do business in Minnesota are protected, subject to limits and exclusions, in the event the insurer becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

Minnesota Life and Health Insurance

Guaranty Association
4760 White Bear Parkway, Suite 101
White Bear Lake, MN 55110
Telephone: 651-407-3149
Fax: 651-407-3150

The maximum amount the guaranty association will pay for all policies issued on one life by the same insurer is limited to \$500,000. Subject to this \$500,000 limit, the guaranty association will pay up to \$500,000 in life insurance death benefits, \$130,000 in net cash surrender and net cash withdrawal values for life insurance, \$500,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values, \$250,000 in the present value of annuity benefits including net cash surrender and net cash withdrawal values, \$410,000 in present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1992, are covered up to \$250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than \$10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed \$10,000,000, the \$10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the guaranty association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the guaranty association's limits, you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The guaranty association assesses insurers licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

The coverage provided by the Guaranty Association is not a substitute for using care in selecting insurance companies that are well managed and financially stable. In selecting an insurance company or policy, you should not rely on coverage by the Guaranty Association. This notice is required by Minnesota state law to advise policyholders of life, annuity, or health insurance policies of their rights in the event their insurance carrier becomes financially insolvent. This notice in no way implies that the company currently has any type of financial problems.
